Comments	-

Based on the evidence presented, our certificate in accordance with Annex III of Council Directive 2014/30/EU on Electromagnetic compatibility and the mutual recognition of their conformity is that the apparatus identified above complies with the requirements of that Directive stated above.

Note: Compliance with the above Directive does not guarantee the right to use the above mentioned equipment in any EU member state.
No configuration, other than described above, has been considered and is therefore not included in this certificate.
